QUORUM INFORMATION TECHNOLOGIES INC.

Information Circular - Proxy Statement
dated July 16, 2020
for the Annual Meeting
of Shareholders to be held on August 21, 2020

GENERAL

This Information Circular is furnished in connection with the solicitation of proxies by the management of Quorum Information Technologies Inc. ("Quorum" or the "Corporation") for use at the annual meeting (the "Meeting") of holders ("Shareholders") of common shares ("Common Shares") of Quorum to be held on August 21, 2020, and any adjournments thereof. No person has been authorized to give any information or make any representations in connection with the matters to be considered at the Meeting other than those contained in this Information Circular and if given or made, any such information or representation must not be relied upon as having been authorized.

Information contained in this Information Circular is given as of July 16, 2020, unless otherwise specifically stated.

SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by the management of Quorum for use at the Meeting for the purposes set forth in the accompanying Notice of Annual Meeting. Solicitations of proxies will be primarily by mail, but may also be by newspaper publication, in person or by telephone, fax or oral communication by directors, officers, employees and/or agents of Quorum, including by proxy solicitation agents that may be specifically retained for such purpose. All costs of the solicitation for the Meeting will be borne by Quorum, and Quorum will reimburse Broadridge (as such term is defined below) and intermediaries for the reasonable fees and costs incurred by them in mailing soliciting materials to Beneficial Shareholders (as such term is defined below). Also see "Advice to Beneficial Shareholders".

APPOINTMENT OF PROXIES

Accompanying this Information Circular is a form of proxy (the "**Instrument of Proxy**") or voting instruction form ("**VIF**") for use by Shareholders. The persons named in the enclosed Instrument of Proxy are directors and/or officers of Quorum. **A registered Shareholder desiring to appoint a person (who need not be a Shareholder) to represent such Shareholder at the Meeting other than the persons designated in the Instrument of Proxy may do so by inserting such person's name in the blank space provided in the accompanying Instrument of Proxy and submitting the Instrument of Proxy in accordance with the instructions set forth therein.**

VOTING OF PROXIES FOR NON-REGISTERED SHAREHOLDERS

Only proxies deposited by registered Shareholders whose names appear on the records of Quorum as the registered holder of Common Shares can be recognized and acted upon at the Meeting. If you are a non-registered holder of Common Shares and have received these materials from your broker or another intermediary, please complete and return the

VIF provided to you by your broker or other intermediary in accordance with the instructions provided with it. Failure to do so may result in your Common Shares not being eligible to be voted at the Meeting. See "Advice to Beneficial Shareholders" below.

REVOCAION OF PROXIES

In addition to revocation in any other manner permitted by law, a registered Shareholder may revoke a proxy by instrument in writing executed by the Shareholder or such shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof, duly authorized, and deposited either at the registered office of Quorum at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof. Please note that if a registered Shareholder appoints a proxy holder and submits their voting instructions via the internet and subsequently wishes to change their appointment, such Shareholder may resubmit their proxy and/or voting direction via the internet prior to the deadline noted above. When resubmitting a proxy via the internet, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.

Only the registered holder of Common Shares has the right to revoke a proxy in the manner described above. If you are a Beneficial Shareholder and wish to change your vote, you must arrange for your broker or other intermediary in whose name your Common Shares are registered to revoke the voting instructions given on your behalf in accordance with the instructions provided by such broker or other intermediary. It should be noted that the revocation of voting instructions by a Beneficial Shareholder can take several days or even longer to complete and, accordingly, any such revocation should be completed well in advance of the deadline prescribed in the VIF accompanying this Information Circular. See "Advice to Beneficial Shareholders" for additional information on the voting procedures applicable to Beneficial Shareholders.

PROXY VOTING

The Common Shares represented by the accompanying Instrument of Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for, and if the Shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **In the absence of such direction, the persons set forth in the accompanying Instrument of Proxy intend to vote the Common Shares represented thereby FOR each of the matters set forth in the accompanying Notice of Annual Meeting.**

EXERCISE OF DISCRETION OF PROXY

The enclosed Instrument of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Annual Meeting and this Information Circular and with respect to other matters that may properly come before the Meeting. At the date of this Information Circular, management of Quorum does not know of any amendments, variations or other matters to come before the Meeting.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of them do not hold their Common Shares in their own names. Shareholders who do not hold Common Shares in their own names ("**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of Quorum as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of Quorum. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. The directors and officers of Quorum do not know for whose benefit the Common Shares registered in the name of CDS & Co. or of other brokers/agents are held. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The VIF supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Instrument of Proxy provided to registered Shareholders by Quorum; however, its purpose is limited to instructing the registered Shareholder (the broker or the agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form instead of the form of Instrument of Proxy. The Beneficial Shareholder is asked to complete the voting instruction form and return it to Broadridge in accordance with the instructions set forth therein. Alternatively, the Beneficial Shareholder may call a toll-free number to vote the shares held by the Beneficial Shareholder or vote online. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

A Beneficial Shareholder receiving a VIF cannot use that VIF to vote Common Shares directly at the Meeting as the VIF must be returned as directed therein well in advance of the Meeting in order to have the Beneficial Shareholder's Common Shares voted. Accordingly, it is strongly suggested that Beneficial Shareholders return their completed VIFs as directed well in advance of the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholders for the registered Shareholder should enter their own names in the blank space on the VIF provided to them and return the same in accordance with the instructions provided well in advance of the Meeting.

Quorum will not send proxy-related materials directly to non-objecting or objecting Beneficial Shareholders - such materials will be delivered to Beneficial Shareholders by Broadridge or through the Beneficial Shareholder's intermediary. Quorum will pay the reasonable fees and costs of Broadridge or a Beneficial Shareholder's intermediary to deliver the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary to objecting Beneficial Shareholders.

that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Gregory I. Pollard, Director

Mr. Pollard was the Chief Financial Officer of Connacher Oil & Gas Limited ("Connacher") from July 1, 2014 until his retirement from Connacher on November 13, 2015.

On May 8, 2015, Connacher announced that it had closed a recapitalization transaction pursuant to the implementation of a plan of arrangement under Section 192 of the Canada Business Corporations Act aimed at significantly reducing Connacher's debt and annual interest expense, and providing additional liquidity to fund ongoing operations.

Subsequent to Mr. Pollard's retirement in November 2015, Connacher sought and obtained protection pursuant to the Companies' Creditors Arrangement Act (the "CCAA") pursuant to an Order of the Court of Queen's Bench of Alberta on May 17, 2016. Ernst & Young Inc. was appointed Monitor of Connacher pursuant to the terms of such Order.

Connacher's Amended and Restated Plan of Compromise and Arrangement dated July 16, 2019 (the "Plan") was sanctioned by the Court of Queen's Bench of Alberta on July 16, 2019 in the Company's proceedings under the CCAA. Connacher has completed the Plan, which was implemented on September 30, 2019.

Mr. Pollard was appointed a director of Walton Ontario Land 1 Corporation ("Walton Land 1") and Walton Edgemont Development Corporation ("Walton Edgemont") in October 2017.

Prior to Mr. Pollard's appointment to Walton Land 1 and Walton Edgemont, on April 28, 2017 it was announced that Walton International Group Inc. (of which Mr. Pollard was not a director) and 32 of its affiliates (including Walton Land 1 and Walton Edgemont had obtained protection from their creditors and would attempt to restructure under the CCAA. Under the CCAA, Walton Land 1 and Walton Edgemont began a court-supervised restructuring in order to provide a CCAA plan of arrangement to creditors for approval.

Walton Land 1 and Walton Edgemont sold their properties and proceeds from the transactions were used to repay court-ordered charges and debt. Both Walton Land 1 and Walton Edgemont

have paid in full all creditors and are in the process of being wound up which will result in final distribution to investors.

The foregoing information has been sourced from publicly available information and has not been independently verified. Accordingly, there can be no assurances that such information is complete, or accurate in all material respects.

To the knowledge of Quorum, no proposed director of Quorum has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable shareholder in deciding whether to vote for a proposed director.

Appointment of Auditors

Unless otherwise directed, it is management's intention to vote proxies in favour of an ordinary resolution to appoint the firm of BDO Canada LLP, to serve as auditors of the Corporation until the next annual meeting of Shareholders and to authorize the directors to fix their remuneration as such. BDO Canada LLP, was first appointed auditors of the Corporation in 2008 under the name of Maldaner Crooks Watson, Chartered Accountants. The name of the firm was changed to DNTW Chartered Accountants, LLP in 2009 and in 2014, DNTW Chartered Accountants, LLP merged with Thompson Penner & Lo, LLP to form Calvista LLP, Professional Accountants. In 2018, BDO Canada LLP acquired Calvista LLP, Professional Accountants.

Reapproval of Stock Option Plan

Under the rules and policies of the TSX Venture Exchange (the "**TSXV**"), the Corporation is required to have a stock option plan. Accordingly, notwithstanding the Board of Directors' (the "**Board**") intention to no longer grant stock options ("**Options**") under the Corporation's stock option plan (the "**Stock Option Plan**") and to instead grant Incentive Awards under its Incentive Award Plan, at the Meeting, Shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED, as an ordinary resolution of the shareholders of Quorum Information Technologies Inc. ("Quorum") that:

1. the Stock Option Plan of Quorum, which provides for the grant of options to acquire, in the aggregate, up to 10% of the number of common shares of Quorum issued and outstanding from time to time, be and the same is hereby authorized and reapproved; and
2. any one director or officer of Quorum is authorized and directed, on behalf of Quorum, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under seal of Quorum or otherwise) that may be necessary or desirable to give effect to this resolution."

Unless otherwise directed, the persons named in the form of proxy accompanying this Information Circular intend to vote FOR the approval of the foregoing resolution. A description of the Stock Option Plan follows.

The Stock Option Plan permits the granting of Options to purchase Common Shares to directors, officers, employees of, and consultants to, the Corporation. The Stock Option Plan limits the total number of Common Shares that may be issued on exercise of Options outstanding at any time to 10% of the number of issued and outstanding Common Shares from time to time. As of July 16, 2020, there are no longer any Options outstanding under the Stock Option Plan as they have all expired.

Options granted pursuant to the Stock Option Plan have a term as determined by the Board at the time of grant, provided that no Option shall have a term greater than five (5) years. The exercise price of Options granted pursuant to the Stock Option Plan is determined by the Board at the time of grant and may not be less than the closing price of the Common Shares on the TSXV on the last trading day immediately prior to the date of grant. Vesting is determined by the Board subject to the provision that no more than one-third of the Options granted to any one individual shall vest in any 12-month period.

The number of Common Shares reserved for issuance on exercise of Options, within a one-year period, to any one optionee shall not exceed five percent (5%) of the outstanding Common Shares (two percent (2%) in the case of consultants or employees conducting investor relations activities). In addition, the number of Common Shares issuable to insiders at any time may not exceed ten percent (10%) of the issued and outstanding Common Shares.

If an optionee ceases to be a director, officer or employee of, or consultant to, the Corporation or a subsidiary (other than by reason of death) the optionee has a period not in excess of 90 days (30 days in the case of optionees engaged in investor relations activities) following the date the optionee ceased to be a director, officer, employee or consultant to exercise Options held to the extent that the optionee was entitled to exercise the Options as the date of such cessation. In the event of death of the optionee, the Options shall terminate on the earlier of (i) one year following the date of death; and (ii) the expiry date of the Options. Subject to requisite regulatory and shareholder approval, the Board may amend or discontinue the Stock Option Plan at any time, provided that no such amendment may, without the consent of the optionee, alter or impair any Option previously granted. Pursuant to the current requirements of the TSXV, Shareholder approval will be required for certain matters including increasing the number of Common Shares issuable pursuant to the Stock Option Plan. Disinterested shareholder approval is currently required for a reduction in the exercise price of Options or an extension of the term of Options held by insiders.

Amendment of By-laws

The Corporation seeks Shareholder confirmation of By-law Number 1 (Amended) (the "**Amending By-law**"), which shall be constituted of the First By-law Amendment and Second By-law Amendment as defined below, a copy of which is attached as Appendix "B" to this Information Circular. The Amending By-law will amend the general by-law of the Company (being By-law Number 1) (the "**Existing By-law**").

The Amending By-law would allow the Directors and Shareholders of the Corporation to:

- a) conduct meetings by entirely virtual means (the "**First Bylaw Amendment**"), pursuant to Section 131(3.1) of the *Business Corporations Act* (Alberta) (the "**ABCA**"); and

- b) to allow the Corporation to articulate the ways in which notice shall be provided to Shareholders, specifically allowing for electronic transmission (the “**Second Bylaw Amendment**”), pursuant to Section 131(3) of the ABCA.

The purpose of the Amending By-law is to allow the Corporation to allow Directors and Shareholders to conduct meetings through more accessible means and so that notice may reach each Director and Shareholder in the most efficient manner.

At the Meeting, or any adjournment thereof, Shareholders will be asked to approve an ordinary resolution (the “**By-law Amendment Resolution**”) approving the amendment of Section 5(10), Section 10(24) and Section 11(1) of the Existing By-law, which would allow the Corporation to implement the Amending By-law. The full text of the Amending By-law is in substantially the form set out in Appendix “B” to this Information Circular.

The Amending By-law was approved by the Board on July 16th, 2020 and is in effect until it is confirmed, as amended or rejected by the Shareholders at the Meeting. If the Amending By-law is not approved by Shareholders at the Meeting, then the Existing By-law will continue to be of full force or effect without any amendments.

Accordingly, at the Meeting, Shareholders will be asked to consider, and if thought appropriate, pass an ordinary resolution in substantially the following form to confirm the Amending By-law:

“BE IT RESOLVED, as an ordinary resolution of the shareholders of Quorum Information Technologies Inc. (“Quorum”) that:

1. By-law Number 1 (Amended) substantially in the form attached collectively as Appendix “B” to the management information circular of Quorum Information Technologies Inc. (the “Corporation”) dated July 16th, 2020, is confirmed without amendment as a by-law of the Corporation; and
2. any one director or officer of Quorum is authorized and directed, on behalf of Quorum, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under seal of Quorum or otherwise) that may be necessary or desirable to give effect to this resolution.”

The Board has unanimously approved the Amending By-law and recommends to Shareholders that they vote in favour of the By-law Amendment Resolution. Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form in favour of an ordinary resolution amending the By-laws to include the new Sections 5(10), 10(24) and 11(1) of the Existing By-law in the form attached hereto as Appendix “B”.

To be effective, the By-law Amendment Resolution must be approved by a simple majority of the votes cast by the Shareholders who vote in person or by proxy at the Meeting.

STATEMENT OF EXECUTIVE COMPENSATION

This Statement of Executive Compensation describes the compensation paid, made payable, awarded, granted, gave or otherwise provided during the financial year ended December 31, 2019 to the Chief Executive Officer ("**CEO**") and Chief Financial Officer ("**CFO**") of Quorum Information Technologies Inc. ("**Quorum**" or the "**Corporation**"), or any person that acted in such capacity during the most recently completed financial year, and any other executive officer of Quorum whose total compensation for the financial year ended December 31, 2019 exceeded \$150,000 (collectively, the "**NEOs**" or "**Named Executive Officers**"), as well as each person that acted as a director of Quorum at any time during the last completed financial year.

Compensation Discussion & Analysis

The board of directors of the Corporation (the "**Board of Directors**" or the "**Board**") has established the compensation and corporate governance committee (the "**Compensation and Corporate Governance Committee**") that is responsible for making recommendations to the Board with respect to the compensation of the Corporation's executive officers (including the Named Executive Officers) and establishing the compensation policies and practices of the Corporation. The compensation paid to executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. Compensation levels are designed to ensure that the compensation of executive officers provides a competitive base compensation while also creating a strong link between corporate performance and compensation. Executive officers are motivated through the Corporation's compensation methods to improve corporate performance and enhance long-term shareholder value. Executive compensation has historically consisted of three components: (i) base compensation, (ii) incentive bonuses, and (iii) restricted share units ("**RSUs**") or grants of incentive awards (together, the "**Incentive Awards**") under the Corporation's incentive award plan (the "**Incentive Award Plan**"). Quorum also has a stock option plan, but no options have been granted under the plan to any of the NEOs or directors of the Corporation since 2010.

The Compensation and Corporate Governance Committee is comprised of Mr. Podovilnikoff, Mr. Campbell, Mr. Eisenfelder and Mr. McDonnell (appointed December 2019), each of whom are independent. Mr. Podovilnikoff, Mr. Campbell, Mr. Eisenfelder and Mr. McDonnell have served as executive officers in larger corporations, and as such all four have experience in decision-making related to compensation policies and practices.

Given the size of the Corporation and the stage of development of its business, neither the Board nor the Compensation and Corporate Governance Committee has considered the implications of the risks associated with the Corporation's compensation policies and practices, although neither the Compensation and Corporate Governance Committee nor the Board considers such risks to be material. Although the Corporation does not have a formal policy, directors and officers are discouraged from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the common shares of the Corporation ("**Common Shares**") held, directly or indirectly, by the director or officer.

Base Salary and Bonuses

The base salaries and bonuses for the NEOs are determined by the Compensation and Corporate Governance Committee based on position held, related responsibilities, functions performed, and achievement of certain prescribed goals. The Board of Directors review and approve a strategic plan each year with measurable and defined goals. The senior management team of the Corporation, which includes the NEOs, are each responsible for specific goals. One of the key measurable, defined goals in 2019 was for the Company to achieve double-digit revenue growth every quarter, over the same quarter of the previous year, and positive working capital over the previous quarter. The Compensation and Corporate Governance Committee considers the Corporation's performance when determining any adjustments to salaries or bonuses for all Named Executive Officers.

Cash Bonus Incentive Plan

The purpose of the Corporation's cash bonus incentive plan (the "**Cash Bonus Incentive Plan**") is to develop a stronger focus on revenue and working capital growth. The Cash Bonus Incentive Plan was implemented during 2016 and entitles the Named Executive Officers to compensation that is based on a percentage of positive revenue and working capital growth generated during each reporting period. The Cash Bonus Incentive Plan pays \$1,750 per 1% of positive revenue growth (the basis for determining revenue growth is the percentage increase of revenue growth as compared to the same calendar quarter of the prior year) and \$700 per 1% of positive working capital growth (the basis for determining working capital growth is the percentage increase of working capital growth as compared to the previous quarter). If there is negative revenue and/or working capital growth, the results of that quarter negatively impact the incentive plan calculation by the same amounts and percentages as mentioned above. This plan replaced the incentive plan that was implemented in 2009 which entitled the Named Executive Officers to compensation that was based on a percentage of positive operating cash flow generated during each reporting period. The Incentive plan paid a combined total of 12% of cash flow positive results (the net change in the cash balance from the beginning of the fiscal quarter to the end of the fiscal quarter that is derived from operations and investing) for the first \$50,000 of cash flow positive results and 18% of cash flow positive results in excess of \$50,000 and up to \$250,000 and 16% of cash flow positive results in excess of \$250,000 for the cash flow positive results for each quarter. There was a maximum payout of \$20,000 in place and if cash flow was negative during the

quarter, the results of that quarter negatively impact the incentive plan calculation for the following quarter

The Corporation also has a Cash Bonus Incentive Plan in place for the Vice President - Sales, Marketing and Services ("**VP – SMS**"). The Cash Bonus Incentive Plan pays a cash bonus for strategic deals that the VP - SMS is directly involved with and pays quarterly bonuses of \$2,000 or \$4,000 (depending on the level of achievement) for Quorum achieving each of three key business plan metrics: (1) new customer monthly additions sold; (2) add-on and 3rd party monthly additions sold; and (3) support and one-time revenue billed.

The Corporation also has a Cash Bonus Incentive Plan in place for the Vice President - Operations ("**VPO**"). The Cash Bonus Incentive Plan pays a cash bonus for meeting strategic milestones that the VPO is directly involved with and pays quarterly bonuses of up to \$3,000 (depending on the level of achievement). The strategic milestones are based on business plan metrics such as application up-time, deployment of new features, and add-on and 3rd party monthly additions deployed.

The Corporation had a Cash Bonus Incentive Plan in place for the then acting President of DealerMine Inc. ("**P-DM**"), who was not subject to the Cash Bonus Incentive Plan. The Cash Bonus Incentive Plan would pay a cash bonus for meeting strategic milestones that the P-DM is directly involved with and would pay an annual bonus of up to \$128,250 (depending on the level of achievement). The strategic milestones are based on business plan metrics such as Software as a Service ("**SaaS**") revenue growth, overall revenue growth, and Earnings before Interest, Taxes, Depreciation and Amortization ("**EBITDA**") for the DealerMine division.

Incentive Award Plan

The principal purposes of the Incentive Award Plan are to: (i) retain and attract qualified employees and contractors ("**Service Providers**") that we require; (ii) promote a proprietary interest by such Service Providers and to encourage such persons to remain in our employ or service and put forth maximum efforts for the success of our business; and (iii) focus our management on operating and financial performance and growth and profitability.

Under the terms of the Incentive Award Plan, any eligible Service Provider (including the NEOs) may be granted Incentive Awards. In determining the Service Providers to whom Incentive Awards are granted ("**Grantees**") and the number of Incentive Awards, the Board may take into account such factors as it shall determine in its sole discretion, including any one or more of the following factors: (i) compensation data for comparable benchmark positions among the Corporation's peer group; (ii) the duties, responsibilities, position and seniority of the Grantee; (iii) the Corporation's performance; (iv) the individual contributions and potential contributions of the Grantee to the success of Quorum; (v) any bonus payments paid or to be paid to the Grantee in respect of his or her individual contributions and potential contributions to our success; (vi) the Fair Market Value (as hereinafter defined) or current market price of the Common Shares at the time of grant of such Incentive Awards; and (vii) such other factors as the Board shall deem relevant in its sole discretion, in connection with accomplishing the purposes of the Incentive Plan.

Subject to the terms and conditions of the Incentive Award Plan, and unless otherwise determined by the Board at the time of grant, Grantee's are entitled to payment of the underlying value of their Incentive Awards in three equal instalments on the first, second and third anniversaries (the "**Payment Dates**") of the date of grant of such Incentive Awards. The underlying value (the "**Award Value**") is calculated at the Payment Date(s) by multiplying the number of Incentive

Awards (as adjusted by the Adjustment Ratio in accordance with the Incentive Plan) by the Fair Market Value of the Common Shares. The fair market value is determined on the Payment Date as the volume weighted average of the prices at which the Common Shares traded on the TSX Venture Exchange (the "TSXV") for the five (5) trading days on which the Common Shares traded on the said exchange immediately preceding such date (the "Fair Market Value").

On the applicable Payment Date, the Corporation shall have the option of settling the Award Value to which the holder of Incentive Awards is entitled in the form of either cash or in Common Shares which may either be acquired by the Corporation on the TSXV or issued from treasury, or some combination thereof.

The number of Common Shares available to be issued under the Incentive Award Plan from time to time in payment of the Award Value of outstanding awards is limited to 7,199,511 Common Shares. The aggregate number of Incentive Awards granted to any single Service Provider shall not exceed 5% of the issued and outstanding Common Shares, calculated on an undiluted basis. In addition: (i) the number of Common Shares issuable at any time, under all security based compensation arrangements of Quorum, shall not exceed 10% of the issued and outstanding Common Shares; and (ii) the number of Common Shares issued to insiders, within any one-year period, under all security based compensation arrangements of Quorum, shall not exceed 10% of the issued and outstanding Common Shares. Incentive Awards may be granted in excess of the limits set forth in this paragraph provided that prior to the receipt of the requisite shareholder approval, as provided in the Incentive Award Plan, such incentive awards may not be paid until such approval has been received.

In the event of a change of control, the Payment Date(s) applicable to all outstanding Incentive Awards will be accelerated such that the balance of the Award Value attaching to such Incentive Awards will be paid immediately prior to the date upon which the change of control is completed.

As of the date hereof, Incentive Awards are issued and outstanding.

While the Corporation does not currently have a formal orientation and education program for new recruits to the Board, the Corporation has historically provided such orientation and education on an informal basis. As new directors have joined the Board, management has provided these individuals with corporate policies, historical information about the Corporation, as well as information on the Corporation's performance and its strategic plan with an outline of the general duties and responsibilities entailed in carrying out their duties. The Board believes that these procedures have proved to be a practical and effective approach in light of the Corporation's particular circumstances, including the size of the Corporation, limited turnover of the directors and the experience and expertise of the members of the Board.

No formal continuing education program currently exists for the directors of the Corporation. The Corporation encourages directors to attend, enrol or participate in courses and/or seminars dealing with financial literacy, corporate governance and related matters. Each director of the Corporation has the responsibility for ensuring that he maintains the skill and knowledge necessary to meet his obligations as a director.

4. ***Ethical Business Conduct*** – Describe what steps the board takes to encourage and promote a culture of ethical business conduct.

The Corporation has adopted a set of Core Values (“Our Values”), which are detailed on the Corporation’s website at www.QuorumDMS.com and in the Corporation’s 2019 Annual Report. Additionally, the Corporation has adopted an Opportunities and Harassment Policy governing employee conduct in the workplace, a copy of which may be obtained from the Chief Financial Officer of the Corporation, (403) 777-0036 or BownM@QuorumDMS.com. The Board has also adopted a “Whistleblower Policy” wherein employees and consultants of the Corporation are provided with the mechanics by which they may raise concerns with respect to falsification of financial records, unethical conduct, harassment and theft in a confidential, anonymous process.

8. Assessments – Disclose what steps the board takes to satisfy itself that the Board, its committees, and its individual directors are performing effectively.

The Compensation and Corporate Governance Committee is responsible by its terms of reference to evaluate the effectiveness of the Board, committees and individual directors. The Compensation and Corporate Governance Committee evaluates Board effectiveness through both its formal and informal communications with Board members. The Committee, with the participation of the Chairman, may recommend changes to enhance Board performance based on this communication as well as based on its review and assessment of the Board structure and individuals in relation to current industry and regulatory expectations. Consistent with this function, the Audit Committee should endeavour to encourage continuous improvement of, and should endeavour to foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary objectives are:

The Board of Directors has adopted the definition for "financial literacy" used in NI 52-110, which definition is "financially literate" means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the issuer's financial statements. Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

The members of the Audit Committee shall be elected by the Board of Directors at the annual organizational meeting of the Board of Directors and remain as members of the Audit Committee until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board of Directors, the members of the Audit Committee may designate a Chair by majority vote of the full Audit Committee membership.
